MISSOURI RIVER AUTHORITY MEETING

Meeting. The State Interagency Missouri River Authority (SIMRA) meeting was held on October 29 in Riverton, Iowa. Presentations at the meeting included:

- Flood Control and Levee Accreditation – Bill Cappuccio, Department of Natural Resources (DNR).
- Update on the Missouri, Iowa, Nebraska, Kansas (MINK) Corridor, Inc. – Twila Larson, Fremont County Economic Development Corporation.
- Update on Missouri River Basin Conditions – Kevin Stamm, U.S. Army Corps of Engineers.
- Future Flood Concerns – William Smith, resident of Sioux City.

Levee Tour. Attendees toured the new levee in Fremont County, as the original one was breached during the flood of 2011. Discussions were led by Cara Marker-Morgan, Fremont County Board of Supervisors, Matt Dollison, DNR, and Dave Crane, U.S. Army Corps of Engineers.

Additional Information. For additional information, refer to the SIMRA [website](#).
